

National Electronic Attachments
Special Discount for WellPoint Dental Providers

Are you looking for an easy, effective and inexpensive way to process your dental claim attachments? For about 67 cents per day, you can transmit an unlimited number of attachments via the Internet with National Electronic Attachment's (NEA) *FastAttach* system. *FastAttach* allows dentists to electronically transmit dental x-rays, EOBs, perio charts, intra-oral pictures and narratives to about 200 payors for claims payment.

To join the thousands of other dentists already using this system for quick claims processing, visit our website at www.nea-fast.com and enter WPT in the blue promotion code box. This special offer, sponsored by NEA provides 50% off the regularly priced \$200 Registration fee. Registration includes, software, installation, training and unlimited telephone support. For more information, or if you have questions, call 800-782-5150, extension 2.
